In eight games, Smithfield scored 207 points to 38 for their opponents and rolled up 2,315 yards rushing. SENIORS IN ACTION

Just relax your finger, now . . . it'll slip right off! Fitting the rings and keeping track of the money are just a few of the Ring Committee's procedures before the "big day" arrives.

A new year . . . a new play to be given . . . and a renewed search for another "My Fair Lady." Ann Mallard and Tucker Barbour, co-chairmen of the Senior Play Committee read through a selection of plays before a choice is made.

Senior Assistant Librarians Eleanor Barbour, Catherine Dupree, Shirley Lassiter, Carolyn Lee, Elsie Pope, and Jean Parker can be found during their study periods placing books on the shelves, helping students in their research, and in general doing the hard work which makes for the efficient service our library renders.

CONGRATULATIONS!

The 1957-58 Boys' basketball team finished the season with a brilliant record of 29 victories and three defeats. But what gave this team the stamp of greatness was its exciting string of victories in the State Class AA elimination games after a great disappointment — its upset by Cleveland High School in the County Tournament.

Smithfield entered the State AA play-offs unheralded. It had to win three games in a preliminary tournament at Trenton to gain a place in the District AA tournament. It had to win three games in the district tournament to qualify as an entry in the State Tournament at Durham.

The Smithfield team went to Durham, won easily in the first round, and finally met its conqueror in the semi-final round when it engaged the team that subsequently won the State AA championship — Marehead.

Reaching the semi-finals was a tremendous accomplishment for the Smithfield team, but the team gave a further display of greatness when it came back from the semi-final defeat and scored a consolation victory that gave the team the No. 3 ranking in the State AA Tournament.
